Sir,

It is the fact that you have received the work order issued to you on dtd.11.01.2016. But you did not heed to execute the work so as to fulfill the contractual obligations. Further despite of series of letters issued to you by the concerned Asst. Engineer, you did not turn down to start the work. You have abandoned the work completely and demolish the camp office and no staff is available to receive the letter(s) issued to you. Also letters were communicated to your permanent disclosed address (as per the Licencing Authority, Govt. of Odisha) by the undersigned, but returned back with remarks not known by the Postal Department. Further the letters were served to your site supervisor at PPT Hospital work site, but he has refused to receive the same. The letter fixed on your doors of camp-shed has also been demolished by you.

Circumstances ensures that you are knowingly avoiding to receive the letter(s). It is understood that due to your callousness the date of the completion of the work has been over from 07/07/2016.

Therefore you are hereby finally show-caused and requested to explain why stringent action against you will not be initiated as per the relevant clause of contract/tender documents. Your reply (if any) should reach to this office within 15 days from the date of receipt of this final show cause notice or date of publication in the Port Gazettee and Port website, whichever is earlier, failing which decision will be taken exparte and the action to the extent of forfeiture of your EMD, ISD and EASD.
