CONDITIONS OF THE ENLISTMENT

The contractors are required to go through the following conditions and sign in this format on each page in token of acceptance to the conditions contained herein.

(A) **The enlistment of contractors** is valid for 3 (three) years and it will be renewable for a period of 2years thereafter. After lapses of validity period, the validity of the enlistment will be treated as cancelled automatically.

(B) **Code of Ethics**

1. To ensure ethics, compliance by Contractors to a code of ethics is important. Following Code of Ethics should be followed by the Contractor during registration process and also post registration during tendering & execution of contracts with a warning that in case of any violation of this code of ethics, their names are not only liable to be removed from the List of Registered Contractors, but also to other punitive actions like cancellation of contracts, banning and blacklisting etc.
2. PPT Code of Ethics: Bidders / Contractors participating in tenders and contracts shall observe the highest standard of ethics during the tendering and / or execution of such contracts. Following practices would be considered as violation of Code of Ethics:
 - i) “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, at any stage, of anything of value to influence the action of a public official in contract execution;
 - ii) “Fraudulent practice” means a misrepresentation or omission of facts, directly or indirectly, at any stage, in order to influence the execution of a contract;
 - iii) “Collusive practice” means a scheme or arrangement, directly or indirectly, at any state, between two or more Bidders, with or without the knowledge of the Purchaser, designated to establish bid prices at artificial, non-competitive level; and
 - iv) “Coercive practice” means harming or threatening to harm, directly or indirectly, at any stage, persons or their property to influence their participation in the tendering or affect the execution of a contract.
3. Punitive Provisions: A particular violation of ethics may span more than one of above mentioned unethical practices. Following policies will be adopted in order to maintain the standards of ethics:
 - i) A proposal for award will be rejected, if it is established that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.
 - ii) A contract will be cancelled if it is determined at any stage that PPT representatives / officials have directly or indirectly, engaged in corrupt,

fraudulent, collusive or coercive practices during the procurement or the execution of that contract.

- iii) Name of Bidders / Contractors shall be removed from the list of registered vendors and banned/blacklisted after following due process, including declaring them ineligible, either indefinitely or for a stated period of time, to participate in or be awarded a PPT contract, if it at any stage it is established that they have, directly or indirectly, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a PPT contract. Any other legal action under law would also be taken.

(C) Delisting of Contractors for any period of time as decided by the Port Authority for the following reasons:

Performance issues which may justify de-listing from the Enlistment of Contractor list are:

- (i) Non- performance or performance below specified standards
- (ii) Contractors who violated safety norms, that resulted in industrial accidents leading to loss or injury to life or property.
- (iii) Violation of code of ethics

Removal from Enlistment of Contractor list may also be warranted in following cases:

- (vi) Ceases to fulfil eligibility criteria based on which enlistment / revalidation was done
- (vii) The firm ceases to exist or is acquired by or merged with another firm, or ceases to operate in the category for which it is registered.
- (viii) If any of the of the bidder(s) / Contractors is found presenting misleading/forged/ false information / documents during tendering process and execution of contract.
- (ix) In case the contractor is banned / blacklisted by PPT or any other Government Agency.

(D) Contractor's obligations:

The contractor should fulfil all his obligations under these rules in time and manner as specified, failing which he shall be liable for the action as mentioned therein. Some of the obligations are summarized below:-

- (i) Prior approval shall be obtained from the enlisting authority before changing the name or constitution of the firm / company. Intimation of change of address should be given in advance or within one month along with acknowledgement from Banker, Income Tax and Sales Tax authority.
- (ii) He should not indulge in unethical practices and maintain good conduct.
- (iii) He shall execute the works awarded to him strictly as per the terms and conditions of the contract and specification.

(E) **Disciplinary Actions:**

The contractor shall have to abide by all the rules of enlistment and also by the terms and conditions of the contract and the Notice Inviting Tenders. He shall have to execute the works as per contract in time and with good quality. The enlisting authority shall have the right to suspend business with him for any period, debar / banning / blacklisting him or remove his name from the approved list of contractors indefinitely or for a period as decided by enlisting authority after issue of show cause notice.
